GENERAL SECRETARY 19 AUG. 1937

SIR,

Acquisition of certain property in Tirumale, Lagadi Taluk, for extending the compound of Sri Parakala Mutt etc.

With reference to your Memo No.1535/Muz. dated 21st May 1937 in re. the above, I have the honor to forward herewith a copy of letter No.C5-L.A.R.44/35-36 dated 20th July 1937 together with the final Notification and the connected file of papers received from the Deputy Commissioner, Bangalore District, stating that the entire cost of the acquisition may, in the first instance, be avanced from the General Muzrai Fund to make the acquisition valid and then the amount recovered from the Mutt, as the Mutt is in a position to meet the same or to grant a sum of Rs 10 from the General Muzrai Funds, etc. As the former course suggested by the Deputy Commissioner will not make the acquisition legally valid inasmuch as it does not tantamount to payment of a portion of the cost of acquisition, either from State Funds or funds of Local Bodies as required under Section 6 of the Land Acquisition Regulation, a nominal contribution of Rs 5 will be made from the State a General Muzrai Fund grants for Construction and Repairs for the current year. I request that the acquisition may be sanctioned and the final declaration statement arranged to be published in the Gazette.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

Letter No.C5-L.A.R.44/35-36 dated 20-7-37 from the Deputy Commissioner, Bangalore District, to the Muzrai Commissioner in Mysore.

With reference to your letter No.C.1523/36-37 dated 31-5-1937 and this office reply thereto dated 3-6-1937 regarding the cost of acquisition of a site in Tirumale village, Magadi Taluk, required for extending the compound of the Sri Parakalaswami Mutt building in the village, I have the honor to enclose for your information, a copy of letter No.~~31/~~ 31/Muz.297-36-2 dated 9-7-1937 from the General Secretary to Government, stating that a reasonable portion of the cost of acquiring the land has to be paid out of the General Muzrai Fund, to make the acquisition of the land legally valid under Section 6 of the Land Acquisition Regulation and to state that one way of securing the legality of the acquisition would be, to pay the entire cost of acquisition as an advance from the General Muzrai Funds in the first instance, and recoup it in due course from the Mutt funds. I may add that such a procedure does not affect the finances of the Mutt, as it is capable of meeting the entire cost from its own funds and a grant from the General Muzrai funds is thought of, only to satisfy the law. I, accordingly, recommend that the amount may be advanced from the General Muzrai Funds in the first instance, subject to recoupment in due course, as is done in the case of expenditure incurred in connection with civil suits conducted by Government, on behalf of Muzrai institutions.

If, however, it is not possible to adopt such a course in the presen case, a sum of Rs 10 may be sanctioned out of the General Muzrai funds, for the acquisition of the land in question.

The connected records are herewith sent for reference.
